## We Thought of You Today

**We thought of you today,  
But that is nothing new  
We thought of you yesterday  
And will tomorrow, too. We  
think of you in silence And  
make no outward show. For  
what it meant to lose you  
Only those who love you know.  
Remembering you is easy,  
We do it everyday.  
It's the heartache of losing you  
That will never go away.**
